

Frohe Weihnachten und ein gutes neues Jahr

A photograph of a rustic wooden cabin with a snow-covered roof, situated in a snowy winter landscape. The cabin has a chimney and is surrounded by snow-covered evergreen trees. In the background, there are more trees and mountains under a clear blue sky. A wooden fence runs across the middle ground, and a small sign with the word 'FORD' is visible on the right. The foreground is dominated by deep snow with tracks.
